239. SHRI SITARAM KESRI: Will the Minister of HOME AFFAIRS be pleased to state:

(a) the reasons for deteriorating law and order situation in the country; particularly in the capital; and

(b) the steps taken/proposed to be taken by Government to control this menace?

The major concerns centre around Pak-sponsored terrorism in Jammu and Kashmir, inter-linked and externally supported subversive activites of militant groups in the North-East and the violence perpetrated by the Left Wing extremist groups. In addition, caste and ethnic conflicts, as also the sharpening divide along communal lines in some states, continue to exert pressure on the law and order machinery.

'Public Order' and 'Police' being State subjects, it is for concerned State Governments to devise various methods and take concrete steps to improve the law and order situation in the States. At the Central level, action is taken to facilitate coordination of the anti-terrorist operations of different States and to improve flow of information useful for control of their activities among the States. Further, help is being provided to the State Governments in terms of financial assistance for modernisation of police, supply of improved weapons, deployment of para-military forces etc. In certain special circumstances, financial assistance has also been given to some of the affected States over and above the on-going allocations for modernisation of police and supply of weapons.

As regards the situation in the NCT of Delhi, there has been some increase in the registered/reported crimes, The following steps have been taken by the Government to improve the law and order situation in the NCT of Delhi.

1. Intensification of beat patrolling especially from 6.00 P.M. to 10.00 P.M.

2. High visibility of police in vulnerable areas.

3. Surveillance over the activities of known criminals.

4. Raids over the places of ill repute and suspected hide-outs of criminals.

5. Improved intelligence gathering including exchange of information about criminals through periodic Inter-State Crime Co-ordination Meetings.

6. 'Operation Black Rose' has been launched to check and sharpen and responses of Delhi Police Personnel in a simulated crime situation.
